

QUIZ SECTION

Now it's time for some exercises...

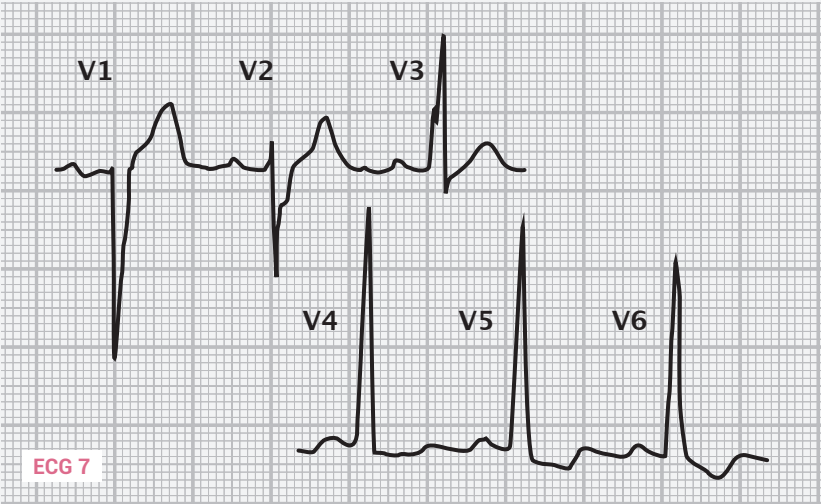

Diagnosis		Diagnostic criteria				
Complete right bundle branch block	Complete left bundle branch block	Volume overload right ventricle	Volume overload left ventricle	WPW syndrome	Duration of the QRS complex (V1) QRS shape (V6) QRS shape	Duration of the PR interval Delta wave in leads:
						
						

Diagnosis		Diagnostic criteria	
Complete right bundle branch block			
Complete left bundle branch block			
Volume overload right ventricle			
Volume overload left ventricle			
WPW syndrome			
Duration of the QRS complex			
(V1) QRS shape			
(V6) QRS shape			
Duration of the PR interval			
Delta wave in leads:			

Diagnosis		Diagnostic criteria	
Complete right bundle branch block			
Complete left bundle branch block			
Volume overload right ventricle			
Volume overload left ventricle			
WPW syndrome			
Duration of the QRS complex			
(V1) QRS shape			
(V6) QRS shape			
Duration of the PR interval			
Delta wave in leads:			

Diagnosis					Diagnostic criteria			
Complete right bundle branch block	Complete left bundle branch block	Volume overload right ventricle	Volume overload left ventricle	WPW syndrome	Duration of the QRS complex	(V1) QRS shape	(V6) QRS shape	Duration of the PR interval
								Delta wave in leads:
